GENETICALLY MODIFIED FOOD: A Selected Bibliography, With a Special Focus on Labelling

Registered patrons may borrow the following items from the Saskatchewan Legislative Library. To request these materials, please highlight those applicable and return the list to the Reference Desk. For further information on this topic, contact the Reference Desk at 787-2276 (phone), 787-5856 (fax) or reference@legassembly.sk.ca (e-mail).

Please note: The two databases cited in this bibliography, *Infotrac* and *Canadian Business and Current Affairs (CBCA)*, are available through the Legislative Library's computer terminals. Call numbers refer to the Legislative Library's Dewey collection.

GENERAL BIOTECHNOLOGICAL BACKGROUND

Bains, William. *Biotechnology From A to Z*. 2d ed. Oxford: Oxford University Press, 1998. General dictionary of terms.
CALL NO. REF 660.603 B162

Canada. Industry Canada. Life Sciences Branch, and Bio-Industries Branch. *Strategis: The Biotechnology Gateway*. [Ottawa]: The Department, October 30, 2000. Internet. Available at: http://strategis.ic.gc.ca/SSG/bo01376e.html?front=e. Accessed October 30, 2000. Includes separate sections for:

- Bio Bix (Biotechnology Business Intelligence Express [patents])
- BRAVO (Biotechnology Regulatory Assistance Virtual Office [regulations])
- Biotechnology: Ethics and the Industry
- Science Centre [descriptions and diagrams of basic concepts]
- Biotechnology Job Centre
- Canadian Biotechnology Clusters--A geographic and sectoral guide to the growing biotechnology sector in Canada organized by areas of activity.
- Industrial Sustainability Through Biotechnology

Enriquez, Juan, and Ray A. Goldberg. "Transforming Life, Transforming Business: The Life-Science Revolution." *Harvard Business Review* 78, no. 2 (March-April 2000): 96-104. Discusses convergence of technologies such as pharmaceuticals, agribusiness, chemicals and medicine.

Kock, Kathy. "Food Safety Battle: Organic vs. Biotech: Will Organic Farming Survive?" *CQ Researcher* 8, no. 33 (September 4, 1998): 761-784.
